

PROTECT AMERICA'S FUTURE PLAN

PROTECT AMERICA'S FUTURE

With the Protect America's Future Life Insurance Plan from American Life & Security Corp. families can gain peace of mind with a one-time payment of just \$125 or \$250 plus \$10 policy fee that provides \$5,000 or \$10,000 of term life insurance for a child until they turn age 21.

The requirements for the Protect America's Future are; (a) the applicant/owner of the policy must be the parent, grandparent or legal guardian of the insured child, (b) other family members may provide the premium, and (c) the beneficiary of the policy must be in the insured child's parents, grandparents or legal guardian.

This special low-cost policy is offered as our way of extending a helping hand to your family as they take their first steps toward their dreams.

** Subject to available plans at time of conversion*

Young families have plenty of dreams. They also have plenty of things to worry about.

There are homes and educations to save for, cars to keep running and careers to develop. Families are building dreams, but sometimes dreams are altered by the tragic death of a child. Should the unfortunate happen, the loss painfully increases as resources are diminished by expenses.

The Protect America's Future Plan provides the means to minimize the financial effects.
